Proposal for help with show

Mission Statement

In conducting a public quilt show, the members of Cascade Quilt Guild aspire to:

- Educate the public about quiltmaking as an art and a craft
- Inform the public about the benefits of membership in the Cascade Quilt Guild
- Provide an opportunity for guild members and other Akron area quilters to display their work and to recognize quilting excellence
- Develop revenue to support guild educational and project activities, and to provide seed money for future shows.

Cascade Quilt Guild respectfully requests the help and participation of all members of the quiltmaking community – stitchers, fans, families, and friends – for their upcoming quilt show in September 2009 at the Bath United Church of Christ. In light of our show's mission statement, we will appreciate any and all help in our endeavors to educate the public about and share the joys of the processes and products of our quiltmaking activities.

Along with the gratitude of Cascade Quilt Guild, individuals who participate at the committee level or volunteer to work at the 2009 quilt show, for a minimum of 6 hours, will receive a voucher which will entitle them to all the benefits received by the individual Cascade Quilt Guild members. These benefits will include:

- Free admittance to the show on all show days
- Discounted quilt registration
- Refreshments while at the show

Please note: While we do look forward to displaying the gorgeous quilts of fellow quilters, simply registering a quilt for display will not constitute the participation required to receive the benefits listed above.

We hope that by extending this offer to others within our community that Cascade Quilt Guild will be welcoming, grateful, and appreciative of their support and help to our quilt show.
